EIGHTY-NINTH ANNUAL REPORT

of the

Board of Managers of the Halifax School for the Blind

For the Year Ended June 30, 1959

Introduction: The President and Members of the Board of Managers submit to the Corporation and to the public of the four Atlantic Provinces this, their Eighty-Ninth Annual Report.

Supervision: The Board of Managers is elected at the Annual Meeting of the Corporation, which is held in December. Monthly meetings are held thereafter during the school year and special meetings of the Board as a whole are called when need arises. In addition to the foregoing and to the regular monthly inspections by the Visiting Committee, members of the Board frequently visit the School unofficially.

Property: No considerable additions were made during this year to buildings or equipment but maintenance of the existing plant, parts of which are now nearly ninety years old, amounted to a considerable sum, as will be noted in the Treasurer's Report under the headings of "Repairs" and "Furnishings."

The most important single item in the summer repair programme was replacement of the asphalt shingles and gutters on the South Building. Other routine items such as inspecting and testing fire escapes, sprinkler system and alarms, renewal of furniture, floors and so on, were carried out as usual.

Health: Under this heading it is a tribute to the nursing, household and supervisory staff, not to mention our attending physicians, Dr. A. Ernest Doull and Dr. D. I. Rice,

that our report is lacking in interest. The nurse's daily reports show the usual fingers cut in Manual Training Departments, scratches, bruises and occasional sprain acquired on rink or playground; these, together with colds, upset stomachs and the like, make up the entire yearly health report.

Staff: This year brought to a close the service of two of our most valued teachers: Miss Charlotte M. Armsworthy and Miss Prudence J. Campbell, who retired after forty-three and thirty-five years respectively on our teaching staff.

On behalf of this Board I should like to express our sincers thanks to these two ladies and our best wishes for many future years of happy and active life.

In addition, the Board received with regret the resignation of the following staff members:

Mrs. Margaret Beaton, Mr. Donald Burgher, Miss Thyra Gasson, Mrs. Agnes Leonard, Miss Marjorie Melanson, Miss Catherine Thorpe and Miss Mary A. Tobin.

Acknowledgements: The Board wishes to express its appreciation to all those in the community who by service or contribution assisted in the scholastic and social activities of the School.

Particular mention should be made:

Of the members of the Junior League and others who read to our University and High School students throughout the term;

Of the Halifax Fire Department and other groups and clubs who contributed to our Christmas festivities;

Of the Water Safety Division of the Nova Scotia Branch of the Canadian Red Cross Society for conducting what was perhaps the most successful year to date in swimming instruction;

Of the contribution by District 41 N, Lions International, of \$600.00 for playground equipment, and the picnic and field day for our students sponsored by the Halifax Lions Club, which always provides such a happy finish to the year's social activities;

Of the officials of Fleetlines, Limited, who have continued to provide free transportation to and from various destinations;

And of the Churches and press of this area, and all other organizations and individuals for their continued interest and support.

The Board gratefully acknowledges the following bequests:

Estate William K. MacKenzie, Vancouver, B. C\$	24,000.00
Estate Elsie W. Taylor, Halifax	6,207.79
Estate Emma S. Crowell, Halifax	2,385.72
Estate Annie W. Preedy, Halifax	2,000.00
Estate James G. Thomson, Halifax	250.00
Estate F. J. DeYoung, Halifax (additional)	249.98

The members of the Board take pleasure in extending their thanks to the Superintendent and all members of the staff for their faithful service throughout the year.

Closing: In closing I should like to thank the members of the Board not only for the time given in attendance at the regular monthly meeting but also for the interest shown in numerous other ways in the activities and welfare of the School.

J. A. Walker, President, Board of Managers, Halifax School for the Blind.

Superintendent's Report

Mr. J. A. Walker, Q. C., President, Board of Managers, Halifax School for the Blind, Halifax, N. S.

Sir:

The following is your Superintendent's report of the activities of the School for the year ended June 30, 1959

No major innovations took place in our programme during the year, although Grade Eleven students for the first time in years were taught in the School, rather than at the outside City High Schools.

Four Grade Twelve students however attended Queen Elizabeth High School, and of these, three received Provincial Certificates. Of the nine students mentioned above who wrote Grade Eleven Provincial Examinations, four received complete Certificates.

Distribution of books from the Braille Library totalled 540 volumes. There were twenty-three readers in the School and fourteen outside readers, of whom six read periodicals only.

Thirty-nine students received instruction in Pianoforte, six in Theory of Music, two in Vocal, one in Organ and seven in Tuning. In addition, the majority of intermediate and senior students received regular instruction in choral singing.

Four students enrolled in Theory of Music took examinations set by Trinity College of Music, London. Of this number three were successful, one passing with Honours and two with Merit.

Instruction in "print" typing was given to twentyeight students during the year, each student receiving from three to six hours per week on this subject. New to our teaching staff this year were Mrs. Agnes Leonard and Mr. Wendell E. Fulton, B. A., these appointments being made necessary by the retention of Grade Eleven.

The School suffered a severe loss during the year in the death, after a long illness, of Mr. Enzor H. Thomas, Head of the Boys' Manual Training Department.

Mr. Thomas graduated from this School in June, 1933, and after three years' attendance at Dalhousie University became assistant teacher in our Boys' Manual Training Department. In 1952 he became head of this Department, and held this position until his death in February, 1959.

Mr. Thomas knew and understood our boys and their problems as few other teachers can, and his patience and inspiration will be keenly missed by the older students who knew him so well.

During the year there were 155 pupils enrolled and in attendance for the whole or some part of the term. They were distributed geographically as follows:

Nova Scotia New Brunswick Newfoundland Prince Edward Island Quebec	5	Girls 31 26 15 1 0	
Totals	82	73	155

Twenty-six entered as new pupils during the year and were distributed as follows:

Nova Scotia. New Brunswick Prince Edward Island. Newfoundland.	Boys 6 3 2 5	Girls 5 5 0 0 —	
Totals	16	10	26

Twenty-four from the preceding year, 1957-1958, graduated or remained at home:

Nova Scotia New Brunswick Newfoundland	Boys 7 3 3 —	Girls 7 2 2 —	
Totals Grand Total	13	11	24

Pupils were distributed in classes as follows:

	Boys	Girls
Grade XII	4	0

Grade II	5	4
Grade I	7	1

Pupils were enrolled in various types of handicrafts as follows:

Leather Work	27	Modelling	14
Toy Making	28	Weaving	9
Raffia	4	Mat Making	2

Scholastically this year has been the best in your Superintendent's term of service.

When results from the first return of examinations at Christmas were compiled, over sixty per cent of students who wrote had made higher averages than at any time during the previous year. These individual and grade averages continued to rise at Easter and again at the final examinations held in June.

While much of the credit for this belongs to the teaching staff and the students themselves, it is also shared in very large part by members of our staff in all other departments who create the "home environment" in which our boys and girls spend so much of their time.

In closing I should like to express appreciation and gratitude for the interest shown and for guidance so often provided by your Board throughout the year.

Respectfully submitted,

C. R. K. Allen, Superintendent.

HALIFAX SCHOOL FOR THE BLIND

General Information

Territory: While known as the Halifax School for the Blind, this school really serves the blind and partially seeing of the Maritime Provinces and Newfoundland.

Eligibility for Admission: Any person resident within the above mentioned territory, between the ages of six and twenty-one years, who has insufficient sight to make proper use of the public schools, who has sufficient mentality to benefit by literary or industrial training, and who is of good moral character is eligible as a pupil. Special arrangements may be made for the admission of worthy and otherwise desirable applicants over the age of twenty-one.

While it is desirable that pupils should begin work at the opening of the school in September or January, pupils may be admitted at any time by special arrangement.

Expense: To pupils having a legal settlement in Nova Scotia or New Brunswick the School is absolutely free as to board, lodging, laundry and training. Pupils are expected to pay their own travelling expenses and supply their own clothing and smaller personal needs. Pupils residing in Newfoundland should apply to the Canadian National Institute for the Blind, St. John's, and those in Prince Edward Island to their local government representative.

Housing: Our pupils and staff are housed in comfortable buildings, hot water heated and electric lighted. Every precaution is taken against fire menace including complete sprinkler system, fire-proofed furnace-room, and a regularly employed watchman who patrols all parts of the buildings every hour of the night.

Health: The health of the pupils is under the care of a permanent resident nurse and assistant, and a regular

visiting physician. In addition the School has the services of two expert oculists, and every effort is made not only to safeguard, but to improve as far as possible, the amount of vision possessed by some of our pupils.

Religious Advantages: The School is positively non-sectarian. Pupils are required to attend in supervised groups the services of city churches representing the denomination stated on the original application forms, and no deviation is allowed from this policy except on written request of parents or guardians. Religious instruction in Sunday School classes is carried on by volunteer workers from the pupils' own churches, and every effort is made to facilitate the performance of the religious duties of all pupils in their chosen creed.

Educational Training: The educational system of the School falls into four departments—Literary, Music, Tuning and Manual Training.

Literary: In the Literary Department the entire regular school course is covered from kindergarten to the end of Grade Ten. Pupils who wish to continue their Senior High School Course are accepted for Grades Eleven and Twelve by the City High Schools. In addition pupils are given a course in practical typewriting. While many of our pupils are taught to read and write Braille (the raised point system used by the blind) those whose degree of sight warrants it are permitted a limited use of ink print and pencil work.

Music: In the Music Department pupils receive thorough training in piano music, a limited number receive individual vocal instruction, and selected pupils instruction in playing the pipe organ. Diplomas or certificates are given in accordance with the work covered. Regular and efficient classes in chorus singing are conducted for both older and younger pupils.

Tuning: Instruction in this highly-skilled profession is given to a selected group of senior students. Opportunities for employment in this field are excellent at present, and it is one of the few occupations at which the blind are on equal footing with the seeing.

Manual Training: In the Manual Training Depart ment instruction is given in woodwork, cane-seating, reed basketry, rug-weaving, sewing and knitting. Certificates are granted to graduates in accordance with the courses covered.

Maintenance: The School is maintained by per capita grants from the three Maritime Provinces and Newfoundland, by the income from a small endowment, and by public donations.

Management: The affairs of the School are under the direction of a board of twelve members, which holds regular monthly meetings and the members of which take a keen personal interest in the welfare of the institution and its pupils. The Premiers of the four Atlantic Provinces are ex-officio members. The School's finances are kept by modern business-like methods, are audited annually by a chartered accountant, and the financial statement published in the regular annual reports. Visitors are invited to inspect the School at any time, and a keener interest on the part of the public is solicited.

TO: Board of Managers, Halifax School for the Blind.

I have examined the Balance Sheet of the School for the Blind as at June 30th, 1959, and I have examined the Balance Sheet of the School for the Blind as at June 30th, 1939, and the Statement of Income and Expenditure for the year ended on that date. My examination included general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion the accompanying Balance Sheet and Statement of Income and Expenditure present fairly the financial position of the School, as on June 30, 1959 and the results of its operations for the year ended on that date.

The Blind Endowment Fund

This fund was established early in 1917 for the purpose of creating supplementary annual income for the work of the Halifax School for the Blind and for the various enterprises in connection with the adult blind of the Maritime Provinces and Newfoundland.

The Trustees are the President and Treasurer of the Halifax School for the Blind and the Eastern Trust Company.

The Capital Investments at September 30, 1959, amounted to \$60,805.33, and the gross income for the year ended September 30, 1959, was \$2,916.30.

The entire income is distributed quarterly as follows:

The Scholarships and Grants Fund	. 5%

The Canadian Printing House for the Blind

This fund is one of the subsidiary funds of the Blind Endowment Fund and was established at the same date as the main fund. Its sole source of income is the five per cent of the income from the Endowment Fund. This income is kept in a savings account at the Bank of Nova Scotia and cheques are drawn on this account for the payment of bills in connection with the printing of Braille literature.

The Home-teaching Fund

This fund was established early in the year 1893 for the purpose of creating an annual income to be used in the work of home-teaching in the Maritime Provinces and Newfoundland. Collections were made from the public of this territory from May 26, 1893, to August 15, 1917. The Board of Managers of the Halifax School for the Blind are the trustees of the Fund, and the capital securities are deposited with the Eastern Trust Company. The value of these securities as at June 30, 1959, was \$19,182.75.

In addition to the income from the funds under its own name, the Home-Teaching Fund receives 25 per cent of the annual income from the Blind Endowment Fund, (see above); and by an agreement entered into October 1, 1919, the entire annual income from both sources is paid over from time to time to the Canadian National Institute for the Blind for the carrying on of home-teaching in the Maritime Provinces and Newfoundland.
